

ANNUAL WORK REPORT FOR THE YEAR 2014-2015.
CULTURAL ASSOCIATION FOR MASS EDUCATION AND LIBERATION
Nagarajapuram, Sullurpet - 524121,
Nellore District, Andhra Pradesh.

Introduction:

CAMEL, a voluntary organization; was established and registered in 1990 and started working for the uplift and emancipation of the Dalith, Yanadhi Tribal, Fisher folk communities that belong to the unorganized sector and remain afflicted by poverty, illiteracy, ignorance and degradation. The Women and children of these communities were the worst affected and remain even today at the bottom most layer of society. It has been the strong motivation of CAMEL that the rural poor can gain their rights only by learning about the same.

Vision:

CAMEL aims to achieve a just and gender equitable, classless society; where men and women will be politically, economically and socially empowered through sustainable, collective and effective grass-root level leadership.

Mission:

Creating awareness among the target communities about their rights and by making the poor to participate and take responsibility in all activities from the planning stages onwards and thereby empower them to make relevant decisions that can change their lives and protect, enhance and improve the quality of their life, in a sustainable manner with the main focus on women and children of the economically backward and excluded communities of our target groups.

Activities / Programs Implemented

- I. Project for the Empowerment and Development of Dalith and Yanadhi Tribals.
- II. Andhra Pradesh Community Based Tank Management Programme(APCBTP)
- III. Project for the reduction of incidence of HIV/AIDS among Migrant Population.
- IV. Formation of Farmer Clubs
- V. Tribal Development Fund/Maa Thota Program

I. Empowerment and Development of Dalith and Yanadhi Tribals:

With support from Andheri Hilfie, Germany, CAMEL implemented the Project of "Empowerment and Development of Dalith and Yanadhi Tribals" in 25 selected Dalith villages and 22 Yanadhi tribal villages in Naidupet, Chittampur and Pellakur Mandals of Nellore District, Andhra Pradesh. The Dalith and Yanadhi tribal population are lagging way behind the general population in Social, Economic, Political and Cultural aspects and with

proper motivation, education and sustenance support these target communities can be put on par with other communities in all aspects of life. 6 Community Organizers along with 1 Coordinator working for this project have been trained in different aspects to successfully implement the programmes of this project.

Monthly work review, planning and Training:-

The project personnel need to be capacitated to perform their duties & responsibilities effectively in the field and in this regard the staff members meet at Head office for 2 days every month. The first day is for the review of the work done in the field and the Coordinator and project director are present to assess the work done in the past month. On the second day; a training cum planning session is conducted and if needed resource persons are invited to undertake the session. The staff personnel are given inputs on aspects relevant to the issues of the community such as different Government initiatives for development, and other such information through which we hope to build up the capacities of the personnel and who in turn will build the capacity of the target community.

Village Level Sangham Meetings:-

CAMEL personnel conduct Sangham meetings every month in each of the target villages for the Women, Adolescent girls, Youth and Child Clubs to educate them about various aspects related to their development such as strengthening their CBOs', health education, vocational skill development trainings, leadership qualities, village development activities such as NREGS and Natural resource management. Similarly the community is educated on how they can access their entitlements such as Job cards, Pensions for old people, widow's and physically challenged from the Government

Mandal Level Trainings:-

CAMEL has conducted Mandal level training programme for leaders of the CBO' and cumulatively 259 representatives of youth leaders, 409 representatives of adolescent girls, 96 representatives of thrift groups and 267 leaders / representatives of women Sangham. These training are conducted to educate the community about NREGS, self employment opportunities, Government schemes, Right to information, right to education, human rights, women rights, Child abuse, child marriages, untouchability & atrocities, land issues, burial ground issues act, health care, personal hygienic, vocational and skill development training, child marriages, SC & ST's sub plane, child rights, domestic violence, village level sanitation, role of Gram Panchayat, Mandal Praja Parishad, ICDS schemes, thrift concept, accountability and maintenance books of accounts.

Interface Workshop with Government Officials:-

CAMEL has conducted an "Interface Workshop" on 29th Aug-2014 where 220 members SC and ST community interacted with government officials who participated. The officials and community members discussed about SC corporation scheme, ITDA Schemes, Village level problems, Revenue issues, NREGs programme, timely repayment of loans etc. The Divisional Revenue Officer, Naidupet, Executive Director SC Corporation, Nellore, PO – ITDA, Nellore, Tahsildar, Naidupet and CAMEL Staff participated.

Celebration of Special Days:-

CAMEL has taken an initiative and conducted the following celebrations:

- National Children's Day Celebration on 14th November 2014 and educated the children about the importance and role of Jawaharlal Nehru. CAMEL also conducted games and essay competitions for 286 children and distributed prizes to the winners of competitions.
